- Students may also wear a solid colored navy-blue cardigan sweater (also available from the school vendor; parents may also purchase from a vendor of their choice).

Jackets/coats may be worn outside for outdoor play on cold days.

### **Ordering Information:**

Some uniform items must be purchased from our school uniform vendor, French Toast. French Toast is a well-known, reputable uniform vendor with affordable prices and high-quality items.

To order, go to the As-Sabeel Academy webstore at:

***The school uniform will be strictly enforced. During the school year, the school administration will hold "uniform checks." During a uniform check, any student not wearing any aspect of the school uniform will go to the office. Parents will be notified that their child is not in compliance with the school uniform and will be required to bring the proper attire to school immediately.***
